- ☐ self-enrichment,
- ☐ diversification and updating of knowledge, and
- ☐ empowerment.

1.6 Modular Approach to Programmes

The Programmes offered by the University are in compliance to the National Education Policy 2020. The teaching-learning arrangements in IGNOU are highly flexible. With this objective in mind, the University has followed a modular approach to Programme development for many of its degree level programmes. As per the University policy, programmes with modular approach are designed keeping in mind the need of the learners and offer the flexibility in the combination of courses as well as methods. The learners have the choice to decide the pace of their learning and they have the option of course-wise registration for various programmes.

Under the modular approach, each course is allocated a certain credit weightage. A learner enrolled in a modular programme can exit the programme at designated points and obtain a certificate or diploma, depending on the number of credits completed.. Alternately depending on the number of credits earned, a learner with Certificate level can complete a Diploma or a Degree.

In IGNOU, modularity has been implemented in two ways. In some Programmes, exit options have been provided whereby students not wanting to complete the entire programme can make an exit after completion of a

defined number of courses and get a Diploma / PG Diploma. This helps the students in meeting their immediate professional requirement.

In the other approach to modularity, students completing a Diploma / PG Diploma Programme are allowed lateral entry in a degree programme. This helps the students in upgrading their knowledge / skill as per their requirement and convenience.

1.7 Multiple Entry and Multiple Exit Points

In keeping with the spirit of the National Educational Policy – 2020 and the National Higher Education Qualifications Framework (NHEQF), the undergraduate programmes offered by the University follow a modular approach and multiple exits and multiply entries are allowed to facilitate the professional journey of the learners. The Multiple Entry and Multiple Exit facility will be available in the University for BAG, BCOMG, BSCG and BCA Programmes with effect from July 2022 admission cycle.

The details of the exit points and certification at different levels are given below:

Levels of Multiple Exit and Multiple Entry points

Sr No.	Level of the Programme	Exit and Certification
1.	Undergraduate Certificate	The learners successfully completing first year (2 semesters) of study at the undergraduate level will be awarded an Undergraduate Certificate. (Total Credits : 40 - 44)

1.8 Course Preparation

Learning material is specially prepared by teams of experts drawn from different universities and specialized institutions in the area spread throughout the country as well as in-house faculty. The material is scrutinized by the content experts, in-house faculty and edited by the language experts at IGNOU before these are finally sent for printing. Similarly, audio and video materials are produced in consultation with the course writers, in-house faculty and producers. The material is previewed and reviewed by the faculty as well as outside experts and edited/modified, wherever necessary, before they are finally dispatched to the students, Learner Support Centres and Telecast through Gyan Darshan.

1.9 Credit System

a) Defining Credit in ODL

The University follows the 'Credit System' for most of its programmes. Each credit in our system is equivalent to 30 hours of learner study comprising all learning activities (i.e., reading and comprehending the print material, listening to audio, watching video, attending counselling sessions, teleconference and writing assignment responses). Thus, a 4-credit course involves 120 hours of study and a 6-credit course involves 180 hours of study. This helps the learner to know the academic effort he/she has to put in, to successfully complete a course. Completion of an academic programme (Degree or Diploma) requires successful completion of the assignments, practical, projects and the Term-End Examination as per requirement of each course in a programme.

b) Choice Based Credit System (CBCS)

The Bachelor's Degree Programmes offered through this prospectus follow the Choice Based Credit System (CBCS) introduced by UGC. The CBCS provides the learner with flexibility to study the subjects/courses at their own pace; greater choice of inter-disciplinary, intra-disciplinary and skill-based courses; and mobility to different institutions for studies. The system has the following advantages:

- ☐ Allows learners to choose a combination of inter-disciplinary, intra-disciplinary courses, skill oriented courses (even from other disciplines according to their learning needs, interests and aptitude).
- ☐ Makes education broad-based and at par with global standards.
- ☐ Offers flexibility for learners to study at different times and at different institutions to complete the programme. Credits earned at one institution can be transferred to another institution.

1.10 Support Services

In order to provide individualized support to its learners, the University has a large number of Learner Support Centres, spread across the country. These Learner Support Centres are coordinated by 67 Regional Centres and Recognised Regional Centres. At the Learner Support Centres, the learners interact with the Academic Counselors and other learners, refer to books in the Library, watch/listen to video/audio programmes and interact with the Coordinator on administrative and academic matters. The list of Regional Centres is given in this Prospectus. Support services are also provided through Work Centres, Programme Learner Support Centres, Skill Development Centres and Special Learner Support Centres.

In case the number of students enrolled in a program is small, the University shall provide Technology Enabled Learner Support (TELS) through Gyan Darshan / Gyan Vani / Swayam Prabha/ Web based support.

1.11 Programme Delivery

The methodology of instruction in this University is different from that of the conventional Universities. The Open University system is more learner-oriented and the learner is an active participant in the pedagogical (teaching and learning) process. Most of the instructions are imparted through distance education methodology as per the requirement.

The University follows a multimedia approach for instruction, which comprises:

- a) **Self Instructional Printed Material:** The printed study material (written in self-instructional style) for both theory and practical components of the programmes is provided to the learners in the form of a single print book and/or e-book, comprising blocks and units or in the form of separate printed blocks for every course (on an average 1 block per credit). A block which comes in the form of a booklet usually comprises 3 to 5 units.

Audio-Visual Material Aids: The learning package contains audio and video programmes which have been produced by the University for better clarification and enhancement of understanding of the course material given to the learners. A video programme is normally of 25-30 minutes duration.

- b) The Video content is available on eGyan kosh (www.egyankosh.ac.in) – the digital learning repository of the University.

The video programmes are also telecast on National Network of Gyan Darshan and Swayamprabha channels. All Gyan Vani stations broadcast curriculum-based audio programmes as per their schedule that is notified in advance. In addition, some selected stations of All India Radio also broadcast the audio programmes. Learners can confirm the dates for the programmes from their Learner Support Centres. The information is also provided through the university website.

- c) **Counselling Sessions:** Normally counselling sessions are held as per schedule drawn by the Learner Support Centres. These are mostly held outside the regular working hours of the host institutions where the Learner Support Centres are located. **However, in case the number of students in a programme is small, face-to-face counselling shall not be organized. In such cases the University shall provide Web Enabled Academic Support to the learners.**

- d) Tele conferences:** Live sessions are conducted via satellite through interactive Gyan Darshan Channel as well as simultaneously **webcast** at <http://ignouonline.ac.in/> and via Facebook Live sessions.
- e) Practicals/Project Work:** Some Programmes have practical/project component also depending upon the learning requirements. Practical sessions are held at designated institutions for which schedule is provided by the Learner Support Centres. Attendance at practical sessions is compulsory. For project work, comprehensive project guide, in the form of a booklet, is provided to the learner along with the study material.

1.17 Evaluation System

The University conducts Term-End Examinations (TEE) twice a year ordinarily in the months of June & December.

The system of evaluation followed by the University also is different from that of conventional universities. IGNOU has a multitier system of evaluation.

1. Self-assessment exercises within each unit of study material.
2. Continuous evaluation mainly through assignments which are tutor-marked, practical assignments and seminar/ workshops/extended contact programmes, etc.
3. Term-End Examinations (TEE).
4. Project / Term-end Practical examination.

The evaluation of learners depends upon various instructional activities undertaken by them. A learner has to write assignment responses compulsorily before taking Term-End Examinations from time to time to complete an academic programme. A learner has to submit Tutor Marked Assignments (TMA) responses to the Coordinator of the Learner Support Centre to which s/he is attached. **Term-end examination is conducted at various examination centres spread all over the country and abroad in June and December every year.**

IGNOU uses the following system of "Grading" for evaluating learners' achievement

Letter Grade	Qualitative Level	Point Grade
A	Excellent	5
B	Very Good	4
C	Good	3
D	Average	2
E	Unsatisfactory	1

For Bachelors' and Masters' degree programmes, normally the system of numerical marking is followed, and the marks secured in assignments, TE Exams, etc. are later converted into grades as per the five-point grading scale given above. However, if required by the learner, the university provides numerical marks and division (I, II or Pass).

IGNOU uses 10-Point Grading System for evaluating learners' achievement for Bachelor Degree Programmes under CBCS, as under:

10-Point Grading System of IGNOU as per UGC-CBCS Guidelines

Letter Grade	Numerical Grade	Percentage
O (Outstanding)	10	≥85

B (Above Average)	6	≥ 50 to < 55
C (Average)	5	≥ 40 to < 50
D (Pass)	4	≥ 35 to < 40
F (Fail)	0	< 35
Ab (Absent)	0	Absent
